Using the Lower Level at LAX, our drivers stop at the designated pick-up locations. Passengers should wait for the Airbus at the center island beneath the ORANGE markers/signs announcing Shared Rides. You must be at the proper stop to ensure pick-up. We start at Terminal 1 at the scheduled pick-up time. Effective June 10th 2022 pick-up locations will be at Terminal 1, Terminal 2, Terminal 3, Terminal 4, Terminal 5, and Terminal 7. If you are at Tom Bradley or Terminal 6 please move to the next terminal. It takes approximately 15-20 minutes to get around to each of the 7 terminals, this means that if you are at terminals 3-7, the bus will arrive 5-15 minutes after the listed pickup time. If you are waiting and don't see the bus - please do not panic. The coach is making its way around the airport and will be there shortly to pick you up.
